SUBMISSION OF SUBSTITUTE DECLARATION AND POWER OF ATTORNEY

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Attached herewith is a substitute Declaration and Power of Attorney executed by the inventor of the present application.

This substitute Declaration and Power of Attorney is being submitted because the original Declaration and Power of Attorney filed on October 13, 2004 inadvertently omitted the data relating to the Japanese priority application to which the present application claims convention priority. The substitute Declaration and Power of Attorney includes the previously-omitted foreign priority data.

Accordingly, it is respectfully requested that this substitute Declaration and Power of Attorney be made of record in the U.S. PTO file.

Respectfully submitted,

Akihiko YANAGA
